NEW YEAR - NEW BEGINNINGS

January 2011

Happy New Year Ladies:

I am so excited about 2011 and having an amazing year, it will be hard to top off 2010 but I am sure I can do it. Last year I held two retreats in Sooke, assisted Rosanna with her retreat in Golden and a road trip on my own to Naramata Wise Women's Weekend also exploring the Wineries along the way and there were plenty. I also went to Sedona, AZ with my best friend and her sister and experienced a very magical, powerful place and know I will return, so far Rosanna and I are planning a retreat there this year, still in the works. I have also started a new career in Insurance - Home/Auto - I just passed my License Exam and have had a few interviews and excited about working in sales and customer service again. With the new job I still plan on offering my retreats and Goddess events, planning on another Mother/Daughter Playday as well, so I am sure it will be a busy, GREAT year.... I am still doing my hot yoga and transforming my eating and nutrition....and honouring my body. My husband and I fall in love more and more everyday, almost 18 years..... so life is GREAT.... I spent a lot of time over new years making vision boards, one for my personal life/career/fitness /spirituality - one for my business - Wisdom Within, one for my relationship and a few Goddess Boxes - so really got to PLAY and access my Creativity...

I invite each of you to look in your lives at what area you would like to take on to make your life more healthy, enjoyable or prosperous. I am sharing this as we all need Inspiration now and again. We truly each have something to share with others - that is why I would love to have you join us at our next **"Women Inspiring Women/Goddess "** retreat **March 25-27th - Sooke, oceanfront property.** Book early as space is limited and already filling up fast...

After many wonderful years working and playing together at my retreats, Sasha Star moved away to build a home and retreat center with her beloved in the Interior of BC. There she has continued to offer her many gifts through her business, *Alchemy of Love Holistic Arts & Services*. She is now back on the island for a brief time and I am thrilled to have her return at the next gathering. We never really know what she has in store for us, but it is always guaranteed to be a treat!

Sashie-Star's facilitation is fun, inspirational, educational, empowering and positively transformational! The space she creates is safe, sacred, beautiful and totally down-to-earth-comfortable. She guides us to trust and honor our selves, our bodies and our emotions...and most importantly, to set ourselves free to live from our hearts as our full potential! Her Loving Presence inspires us to Be Free and Empowered to Live in Love, no matter what. The classes and sessions she offers are at the same time formed, and formless. Her teachings and offerings are intended to be like maps for us, and if we choose to pay attention to them, we embark and continue on the most sacred journey of all: The Journey Home, The Journey Within Self-The Journey of Love.

Beloveds:

With the dawn of 2011 and all the new energies brought forth, we invite you to be a part of an unforgettable Retreat this February - An Experiential Journey into Self-Mastery.

Ana-La-Rai and MaLeem of Divinely Guided Spirituality work within the new energies of group-consciousness, providing the highest vibration and level of love to assist you. During healings, guided meditations, activations and discussions, each participant will be lovingly supported and empowered through learning, growth, and change.

The retreat will be held on Vancouver Island, at Tigh-Na-Mara Resort, February 18-24. We will begin Friday evening with the full moon meditation and the creation of the group heart. The following six days will include meditation, healing, sharing, joy, laughter, and play, all according to the needs of the group and what is in Divine Order for that moment. We will finish Thursday evening with a closing meditation and celebration. You are then encouraged to spend another day or two in quiet integration, away from your everyday life.

There are two sets of fees. The first being the Resort fees including all lunches, the meeting space and overnight shared accommodation. This is approx. \$700 per person paid directly to the hotel. The facilitation fee is \$1299 payable by February 12th.
